Haruka Sakurai

(Very popular with the students, but a mess about love)

Uni Kururugi

(A popular girl, but her taste is really odd)

Suddenly, Sakurai's ex-girlfriend (Takasawa Mari) starts working at the school Uni attends! Even though Uni attempts to hide her uneasiness, it irritates her insecurity. And when she is unable to withstand her quivering heart, she does something unexpected...

Always fall in love and become a forbidden love! (Or, how can you?)  
Oh, yes me!!

It's already the 4<sup>th</sup>

volume. Recently, there was something that made me very happy. This magazine made me a cat hair clip. It is the one that the main character favors. It's like a dream that something in a manga becomes available in real life. It really is something that everyone made possible. Thank you always for everything. Thank you.

## Liner notes

Hi, everyone. Thanks for reading Volume 4.

Speaking of the 4<sup>th</sup> volume... um... I'm sorry for making a character poop in a shōjo manga. I'm really sorry. (Please do not feel disturbed because of this...)

But being able to let the protagonist leave behind her dark side is a huge relief.

Even though I'm still a novice and I have a lot of things I need to reflect on, I'm glad that I was able to let the main characters reconcile. After all, the story's slogan is "hop, step, happy!!" (I selfishly decided on that right now.)

Oh yeah, I have to be thankful about being able to draw Den-Ō. I didn't think that the DenLiner would be able to appear... Thank you very much, everyone!

There will be a new character appearing in volume 5. Hm? Oh, wait. He already has. This time, I'll touch on some things that have been left alone. I don't really know how the story is going to progress yet, but I want to move on crawling with energy, while rampaging forward.

Babu Babu (How disgusting.)

Anyway please take care of me in the future as well.

By the way I'm showing everyone the cat handclp I was talking about. It's a present for the readers who have been featured in the magazine, in the part called "Kin-Ben Special Lesson," supposedly. It was made very cutely, so thank you by all means.
